

High School Internship – All Locations (Summer 2018)

We seek energetic and responsible teens to act as guides, greeters, and program support for our summer programs. These internship positions will give you quality work experience and training in the field of ecotourism and environmental education. HS Interns will also have the chance to act as teen counselors during our summer camps! The perfect candidates will enjoy interacting with the public (in person and through that marvelous invention of the internet!), spending time outdoors, and helping to make the most of visitors experiences with CACS.

Program Benefits

- Getting to spend the summer learning and working outdoors
- Working closely with a naturalist mentor
- Participating in interpretation and naturalist training
- Leading and instructing others as a wilderness camp counselor
- Hands on experiences with new technology and citizen monitoring programs
- \$900 stipend

Program Requirements

- Have completed your sophomore, junior or senior year of High School this spring
- Be able to commit to at least 20 hours of work per week
- Complete one natural history, research, or education project
- Attend job training sessions and mentor meetings
- Be able to commit to the entire 9 week session-- June 12th, 2018- August 11, 2018
- Apply by downloading the application packet and returning it by:
 - e-mail to seth@akcoastalstudies.org
 - mail to:
708 Smokey Bay Way
Homer AK, 99603
 - or drop it off at our office in Homer during business hours
